To The  
**21 Outstanding Seniors**  
Of  
PHS Class of 2004

*Rev. Tracey L. Brown  
&  
The Ruth Fellowship Ministries  
Church Family*

There is no doubt that the impact that a mentor has on a child is carried with them throughout childhood development into adulthood. Peer Leaders are those mentors and for the positive impact they've left, we thank them. Thank you for the ability to let us fall, to teach us that we must get back up. Thank you for the compassion to know when we have fallen enough and to reach out your hands to us, to pick us up. We appreciate it. We appreciate you. Thank you.

To those of you who will spend hours perusing this volume looking for grammatical errors, misspelling, and improper grammar, have fun, for you will find loads of them.

For those of you who will spend hours perusing this volume looking for friendly faces, sports, activities and remembered good times; have fun, for our tiny staff has spent months, days, weeks, and hours, preparing these pages for your future enjoyment.

If it pleases you, we are pleased. If it does not please you we are sorry. We've given it our best shot.

**Congratulations "Outstanding Seniors" on your success. My God's light continue  
To shine on your successes.**

Dear Class of 2004,

It is already tomorrow, time which never stops its journey has passed far too quickly. You have come to the end of one journey and ready to embark on the commencement of the next. Ahead of you are new challenges that may appear as shadows and dreams but they are who you will become. I offer to you this sage advice and insight into life's conquests, answers, and discoveries. Although it is not my words it is a gift of knowledge passed on to you. Reflect and keep the words close, for life is who you will be.

**Be**

- Be** understanding to your enemies.
- Be** loyal to your friends.
- Be** strong enough to face the world each day.
- Be** weak enough to know you cannot do everything alone.
- Be** generous to those who need your help.
- Be** frugal with what you need yourself.
- Be** wise enough to know that you do not know everything.
- Be** foolish enough to believe in miracles.
- Be** willing to share your joys.
- Be** willing to share the sorrow of others.
- Be** a leader when you see a path others have missed.
- Be** a follower when you are shrouded by the mists of uncertainty.
- Be** the first to congratulate an opponent who succeeds.
- Be** the last to criticize a colleague who fails.
- Be** sure where your next step will fall, so that you will not stumble.
- Be** sure of your final destinations, in case you are going the wrong way.
- Be** loving to those who you love.
- Be** loving to those who do not love you, and they may change.
- Above all be yourself.

In closing no matter where the future leads, there is potential within you to put everything in the right perspective and strive to make the greatest impact you possibly can.

Much joy, wealth and success.

**MR. OTIS BROWN**  
PRINCIPAL

To the class of 2004,

This has been a year filled with hope and promise, as well as, trials and tribulations. The type of issues that often challenge seniors such as, the college one should attend, to issues that are more complex as selection of an academic major. It has been a year where your class has raised the benchmark for future classes. The task has been daunting; however, the success achieved by the members of your class is the keystone to begin the next phase of your academic journey. The class of 2004 has established a model future graduating classes can seek to emulate and without exception, you have made our school a better place. I can never express how proud I am of all of your outstanding accomplishments. You are moving on with your lives and I am confident the education you received at PHS will allow you to continue your pursuit of academic excellence. I ask that you never forget the wonderful teachers who shared your dreams and goals! I challenge you to reach the next level but never forget "home" Yes, I want you to consider Plainfield High School as the home of your academic foundation. The place where all of the life experiences from pre-school through the high school allowed you the opportunity to grow and become the exceptional students you are today. I know I will miss every one of you and while I am saddened when I think of your leaving, I feel like a proud father knowing you are ready to reach the next milestone of your life Go in peace and never forget us because we will never forget you!

Sincerely,

Otis Brown  
Principal

Chris like a shooting star across the sky you came into  
our lives

and brought happiness and sunshine.

Your smile and laughter made our school just a little  
brighter,

Yes ..... you did ... you really did!

You made a difference in the lives of everyone who met  
you,

Yes .... you did .... you really did!

Our school is a better and nicer place because of you ....  
Chris,

Yes .... because of you.

Your memory will burn eternally in our heart, minds,  
and souls Chris,

it really .... really will!

God selects his angels well Chris and you were one of his  
special children!

Yes .... you were you really, really were!

Plainfield High School will never ... ever ... forget you ...  
Chris,

We ... never ... ever ... will!

We love you Chris and lift up our hearts to let you know  
.. we miss you,

Yes ... we do .. we really, really, do!

Mr. Stans
